Re: Certificate of Correction Issued December 23, 2008 in Error

Consideration has been given to your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322.

It is the practice to exclude words such as "A", "IMPROVED", "IMPROVEMENTS IN," "NEW", or "NOVEL" as the first word in the title of the invention. Therefore, no correction is in order here under Rule 1.322 or 1.323.

In view of the foregoing, the request to amend the title should have been denied. The correction to the title will be deleted and certificate of correction will be issued to reinstate the title to read -- **ONCOGENE, RECOMBINANT PROTEIN DERIVED THEREFROM, AND USES THEREOF** --.
